brill's companion to classics in the early americas illuminates the remarkable range of greco roman classical receptions across the western hemisphere from the late fifteenth to the early nineteenth century bringing together fifteen essays by scholars working at the intersection of classics and all aspects of americanist studies this unique collection examines how hispanophone lusophone anglophone francophone and or indigenous individuals engaged with greco roman literary cultures and materials by coming at the matter from a multilingual transhemispheric perspective it disrupts prevailing accounts of classical reception in the americas which have typically privileged north over south anglophone over non anglophone and the cultural production of hegemonic groups over that of more marginalized others instead it offers a fresh account of how greco roman literatures and ideas were in play from canada to the southern cone to the caribbean treating classical reception in the early americas as a dynamic polyvocal phenomenon which is truly transhemispheric in reach

gestão ambiental planejamento territorial caminhos para gestão e redução de riscos de desastres tecnológicos gr2d t é um livro que nasce com um caráter didático pretendendo alcançar aqueles que precisam realizar uma primeira aproximação com o tema nesse sentido esta obra foi pensada para contribuir com a prevenção dos acidentes ampliados haja vista que estes eventos apresentam capacidade para deflagrar impactos de elevada complexidade e abrangência desejo que este livro contribua para ampliar a visão do leitor sobre as responsabilidades cada vez maiores assumidas pelas empresas bem como mostrar que a gestão ambiental tem ampliado seu leque de atuação e assumido novos desafios uma vez que proteger as pessoas o meio ambiente e o patrimônio não é tarefa simples

the story of how brazilian catholics and protestants confronted one of the greatest shocks to the latin american religious system in its 500 year history this innovative study explores the transition in brazil from a hegemonically catholic society to a religiously pluralistic society with sensitivity erika helgen shows that the rise of religious pluralism was fraught with conflict and violence as catholic bishops priests and friars organized intense campaigns against protestantism these episodes of religious violence were not isolated outbursts of reactionary rage but rather formed part of a longer process through which religious groups articulated their

vision for brazil s national future
